Alexandria, VA 22313-1450

S I R :

Annexed hereto are copies of publications listed in the above-identified application.

The relevance of this document is discussed on page 6 of the specification.

These publications are also listed in the enclosed Form PTO/SB/08A. It is requested that the publications be considered with respect to the patentability of the present invention and that an initialed copy of the enclosed Form PTO/SB/08A be returned to applicants to indicate that such publications have been considered and made "of record."

Note that JP 2002-162707 was also cited in the International Search Report for this application.

In the event that this Paper is late filed, and the necessary petition for extension of time is not filed concurrently herewith, please consider this as a Petition for the requisite extension of time, and to the extent not tendered by check attached hereto, authorization to charge the extension fee, or any other fee required in connection with this Paper to Account No. 06-1378.

Copies of U.S. patent documents identified on said form PTO/SB/08A are not enclosed herewith since the USPTO waived the requirement to file copies of U.S. patents and U.S. patent application publications.

This IDS is being filed within three months of the filing date of this application. Furthermore, a first action on the merits has not yet been received in this application. Therefore, no fee is required. However, if it is determined that a fee is required, authorization is given to charge any additional fees to Deposit Account No. 06-1378.
